FOR IMMEDIATE RELEASE

Interstate-80/Interstate-680/Highway 12 Interchange Improvement Project Bike Path between Green Valley Road and Highway 12 Closed through Construction Zone-Watch for Heavy Equipment

SOLANO COUNTY – The California Department of Transportation (Caltrans), in cooperation with its project partner the Solano Transportation Authority (STA), has closed the bike path between Green Valley Road and Highway 12 during the scheduled construction work as part of the I-80/I-680/Highway 12 Interchange Project in Fairfield. This bicycle path will be rebuilt and replaced as part of the Interchange Improvement Project.

Green Valley Road Bike Path Closed:

To ensure worker and public safety, bicyclists and pedestrians will no longer be able to access the bike path which had entrances at Green Valley Road near the westbound I-80 onramp and at Highway 12 near Red Top Road. "Bike Path Closed" signs will be posted. The area is now an active construction zone and not accessible to the public.

Bicyclists should call Solano Napa Commuter Information at 800.535.6883 between 8:00am and 5:00pm (Monday through Friday) for information on other transit options while the bicycle path is temporarily closed. Additionally, Fairfield and Suisun Transit (FAST) offers bus service between the Cordelia Library (near Green Valley Shopping Center) and Oakbrook/Lopes Road in Fairfield, Monday through Saturday on Route 8. FAST buses can accommodate two bicycles at one time on the bicycle rack. Visit <http://tiny.cc/FAST8> to view a map and schedule for Bus Route 8.

New Bike Path Planned:

A new bike path will be constructed to connect Business Center Drive with Highway 12 and is expected to be completed and open in 2016.

Please watch for crews, and heavy equipment, and allow yourself extra travel time through the construction zone.
